

MWANGI RICH MAINA

Nairobi, Kenya | 0727 305 152 | richmaina0@gmail.com | github.com/Atthespice

PROFESSIONAL SUMMARY

Hands-on IT professional and Diploma in Information Technology student with practical experience in IT support, network administration, full-stack web development, and digital media. Currently operating a live 30-user residential internet service on MikroTik infrastructure, and developer of a complete management information system for a Nairobi driving school. Certified full-stack developer (Safaricom Power Learn Project) with cybersecurity training in progress. Skilled at troubleshooting real-world hardware, software, and network problems and communicating technical concepts clearly.

TECHNICAL SKILLS

- IT Support & Troubleshooting:** computer hardware and software diagnostics, OS installation and maintenance, user support, peripheral and connectivity troubleshooting
- Design & Digital Media:** brand identity design, vehicle wrap mockups, marketing collateral, social media content creation and page management, Python/Pillow image compositing
- Web Development:** React, Vite, JavaScript, HTML/CSS, Node.js, Supabase (PostgreSQL, authentication), REST APIs, SMS API integration (Africa's Talking)
- Networking:** MikroTik RouterOS (DHCP, NAT, firewall, bandwidth management), LAN design and cabling, IP subnetting, switch deployment
- Documentation & Standards:** IEEE/ISO-standard SRS authoring, APA project proposals, exposure to standards development (KEBS/ISO)

EXPERIENCE & PROJECTS

- Network Administrator / Residential ISP Operator — Self-employed, Nairobi**

Jan 2025 – Present

 - Designed, installed, and operate a residential internet service covering a three-floor building with approximately 30 users on a 200 Mbps uplink
 - Configured a MikroTik hEX router (DHCP server, NAT, address pools, firewall) and deployed three cascaded switches on a structured 192.168.10.0/24 subnet
 - Provide ongoing first-line support, diagnosing connectivity failures, DHCP issues, and interface misconfigurations to maintain high uptime for users
- Software Developer — Bidii Driving School Management Information System**

2025 – Present

Academic capstone project for a real client, Nairobi

 - Building a full management information system for a driving school using React, Vite, and Supabase
 - Implemented modules for student registration, NTSA PDL/IDL licence tracking, fee management in KES, and SMS notifications via Africa's Talking
 - Authored an IEEE/ISO-standard Software Requirements Specification (~40 pages), an APA-format project proposal, and a stakeholder presentation
- Graphic Designer & Social Media Manager — Bidii Driving School and Best Kenya College (Freelance)**

2024 – Present

- Designed brand assets including vehicle wrap mockups, promotional graphics, and marketing material for both institutions
- Managed official social media pages, planning and publishing content to grow engagement and visibility

Volunteer Coding Instructor & Science Mentor — Thika High School

Feb 2026 – Apr 2026

- Taught introductory coding to students and mentored science club projects, simplifying technical concepts for beginners

EDUCATION

Diploma in Information Technology — KCA University, Nairobi

Sep 2024 – Dec 2026 (expected)

Industrial attachment from August 2026

Kenya Certificate of Secondary Education (KCSE) — Thika High School

2020 – 2023

Grade: C (Plain)

CERTIFICATIONS & AWARDS

- **Full-Stack Development Certificate** — Safaricom Power Learn Project (PLP), graduated July 2025
- **Cybersecurity Certificate (in progress)** — Cyber Shujaa, expected completion December 2026
- **Silver Prize, 16th International Standards Olympiad (2021)** — sponsored by the Kenya Bureau of Standards (KEBS)
- **County-Level Winner, Kenya Science & Engineering Fair (KSEF)** — health innovation project on diabetes management
- **Secretary, Science Club** — Thika High School

REFEREES

- **Eunice Maina** — Head of Sciences & Science Club, Thika High School — 0722 507 175
- **Patrick Mwangi** — Head, Bidii Driving School — 0721 468 034
- **Francis Mbugua** — Head, Best Kenya College — 0718 918 156
